March Newsletter

Registration Begins for 2010-11

If you know of someone who may be considering preschool for their child, please share with them our website and registration information. Encourage them to register early. For many "first time" parents, preschool registration is not thought of until the "back to school" ads appear in Aug. Often, this is too late to begin the process of selecting a preschool!

Thank you to all of you who have "highly" recommended us to your friends!!

Moving forward with Kindergarten

We are enthused about our new program expansion in offering of half-day kindergarten. As our ministry has grown over the past 21 years, so has our reputation for quality in the education field. As registration has begun, we are in the midst of our planning. We look to offer a challenging curriculum which exceeds the minimum standards for early childhood education. This framework for learning under girded by our nurturing Christian environment will provide the best atmosphere for children to thrive and reach their potential. As we move forward, we thank you for your continued support and input. Our enrollment during the next few weeks will determine the number and class offerings for our pre-k and kindergarten.

We value the trust placed in us and are working diligently to build upon our program's success.

Teachers at VAECE Conference

In our effort to stay informed, share with our peers, gain insights, and discuss trends in education, we will attend the Virginia Assoc. of Early Childhood Education Conference. At SBP, we feel that continued professional development is very important.

For this reason, school will be closed on Friday, March 19 as our staff travels to Richmond to attend this conference.

Looking Ahead . . .

Egg hunts will be on Wed., 3/31 and Thurs., 4/1. School will be closed on April 2, Good Friday. We will be sharing the wonderful story of Easter in an age appropriate manner focusing on how much our Saviour loves us!

Spring Break is April 5-9th. Have a Blessed Easter !

Volume 21, Issue 7
